Dear Sir/Mam:

I am writing at the request of our boys, age 10 & under travel baseball team. We are a group of 11 kids that will play in 10 or more tournaments this upcoming year in over 3 states.

Although the parents are paying for the majority of the expenses it takes a lot of money to cover tournament registration fees, insurance, equipment, uniforms and other team logistical needs.

We are asking for a sponsorship fee of \$2,500 for a Platinum, \$1,000 for a Gold Sponsorship, \$500 for Silver, \$250 for bronze or any other amount you care to give.

These contributions will allow us to purchase some of the above mentioned items for the boys with minimum or no added expense to the parents.

Your support and consideration of this sponsorship is greatly appreciated.

We will recognize your company on our team banner when we travel it will be displayed on our dugout during our games.

Please contact me if you have questions regarding this team sponsorship.

Kindest Regards,

Asst. Coach Todd Landry
